No. 05-74253

Plaintiff,

District Judge Gerald E. Rosen

**ORDER**

On April 7, 2009, the parties, through counsel, appeared in open court in response to the show cause order entered on March 24, 2009. Because the Defendants have demonstrated that the text messages that have been publicly released comprise only a portion of the text messages provided to the Court for *in camera* review, the Court will not, at this time, order the production of *all* of said messages. The Court will take under advisement the question of whether all or any of the publicly available text messages will be ordered released.

Furthermore, for the reasons and under the terms stated on the record on April 7, 2009, counsel for the parties are directed to meet and confer with regard to the text messages that have been publicly released.<sup>1</sup> Within 30 days of the date of this Order, the parties will file a joint list of resolved and unresolved issues, identifying with specificity

---

<sup>1</sup> These comprise text messages that were released in January of 2008, as well as additional texts of Defendants Kilpatrick, Beatty and others that were subsequently released in October of 2008 and March of 2009, by order of Wayne County Circuit Court Judge Timothy Kenny, in *People of the State of Michigan v. Kwame Kilpatrick and Christine Beatty*, Cir. Ct. No. 08-010496-FH.

(i.e., PIN, holder of the device, date and time) those text messages the parties agree are not relevant or otherwise discoverable<sup>2</sup>, and those text messages for which there is disagreement as to discoverability.<sup>3</sup>
